

TSCA Chemical Certification Worksheet

ClearanceIQ Import Kit · EPA / 15 USC 2612

Importers must certify that imported chemicals comply with TSCA (positive) or are not subject to TSCA (negative). File with CBP via ACE or on the invoice before release.

Which certification applies?

- POSITIVE - chemical complies with all applicable TSCA rules/orders
- NEGATIVE - chemical is not subject to TSCA (e.g. pesticide, drug, food, cosmetic, device, firearm)

Certification statement (copy verbatim onto invoice / ACE)

POSITIVE: "I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order thereunder."

NEGATIVE: "I certify that all chemicals in this shipment are not subject to TSCA."

Filing details

Field	Your entry
Certification type (Positive / Negative)
