

FDA-Regulated Products Worksheet

ClearanceIQ Import Kit · Food / Supplements / Cosmetics / Devices

Food, dietary supplements, cosmetics and medical devices need FDA before release. Missing registration or prior notice = hold.

Pre-entry FDA checklist

- Domestic/foreign facility registration
- Prior Notice submitted to FDA
- FSVP plan if importing food
- Label compliance (Nutrition Facts / ingredient list)
- Device 510(k) / establishment if applicable
- Cosmetics - facility registration + listing (MoCRA)
