| Field                    | Your entry |
|--------------------------|------------|
| HTS (8-digit)            |            |
| China List (1-4)         |            |
| Section 301 rate         |            |
| Exclusion applied? (Y/N) |            |
| Exclusion ref #          |            |
|                          |            |
|                          |            |
|                          |            |

Section 301 stacks with Section 232 and ADD/CVD when all apply.
